

NEW to 2018 Little Shredders

Dry Land Snowsports Training

@ Wahroonga Public School Tuesday 3.30-4.15pm during Term 2

Little Shredders is a brand new participation product developed by Ski and Snowboard Australia that brings the basics of snowsports to primary schools. Little provides the opportunity for children to learn the basics of snowsports from the convenience of the school yard through game based learning. The program utilises custom-made modified equipment built specifically for use in the school yard, and is an introductory program that teaches children the fundamental skills and knowledge to prepare them for an on-snow experience. These modules cover such skills as snow sport specific balance, technique, equipment and snow safe knowledge together with spacial awareness exercises in a fun team environment.

This program aims at promoting muscle development and improving balance, coordination and agility, and each child who completes Little Shredders receives a [Golden Ticket](#) for a mountain resort of their choice.

The Golden Ticket initiative provides the opportunity for every child that completes a Little Shredders 4 or 6 session program to have an on-snow experience of their very own at no cost.

Buller, Charlotte Pass, Hotham, Falls Creek, Perisher, Selwyn Snow Resort and Thredbo have all signed on to provide an opportunity for children to transition from the Little Shredders program to a resort based activity.

As such, all children that complete Little Shredders will have access to:

- **2-day lift pass**
- **2-day equipment hire (skiing or snowboarding; dependent on terms and conditions)**
- **Lessons from qualified instructor**

** Please note that details of the Golden Ticket offer are different for each resort. Please ensure that you read the resort information page when redeeming your ticket to get specific details of dates that cannot be redeemed, specific age restrictions and other important information*

Expressions of Interest - please complete the form below and send into the school office
