BEST WISHES FOR A HAPPY AND SAFE HOLIDAY

This is my last message for this school year as this is our final newsletter for the year. I hope all my staff and students have a happy and safe holiday. Unlike other countries our school year and calendar year coincide and we look forward to the next year as a time to restart and energise ourselves. I know not all our parents have a break over the school vacation but I hope the summer finds some chance for rest and renewal for us all.

I hope our students remember their safety rules over the vacation and return happy and healthy to us. I hope we all make a New Year's resolution to be kind, be safe, to learn well and to be happy. My best wishes to you and to your family over the holidays.

This has been a great year at the school. I would like to take the opportunity to thank the staff for all their hard work. We are very fortunate in having a dedicated team of teachers and support staff.

LAST DAY OF SCHOOL

Friday 16 December 2011 is the last day of school for students. Returning students commence on Monday 30 January 2012. Please let us know if your child will not be here in the first week back to school.

2012 CLASSES

Although we do have plans for classes we are cautious and like to wait to see if our expected numbers are correct and how many students enrol on the first day of term before we action this plan. This means students will be in their old classes for two or three days at the beginning of the year. I know this can be slightly annoying but it is better than having a false start to the year.

CELEBRATION DAY AND PRESENTATION DAY

Thanks for all the wonderful feedback about the end of year events. It was very kind of so many parents and friends to go to the trouble of commenting on how much they enjoyed these ceremonies.

YEAR 6 FAREWELLS

I want to thank all the parents and teachers who helped with these wonderful events, the luncheon and the dance. They both went very well and were a great success. Lots of time and preparation went into both parties and these were a great send off. Tomorrow we will have the guard of honour just after 3pm. All the Year 6 students will ring the school bell.

CANTEEN ORDERS ARE NOW ONLINE

You can now order school lunches from the canteen online. See the information on the school website. We want everyone to order this way in 2012 to make the system efficient. You can order for the whole week in one transaction if you want to. You can order from the office, home or wherever you have net access. No need to search for cash or paper bags.

HOLIDAY ACTIVITIES

Great ideas for holiday activities can be found on the NSW Government website *GoPlay*. There is a wealth of information for families on getting out and about this summer.

<http://goplay.nsw.gov.au/>

Don't miss the Picasso exhibition these holidays at the Art Gallery of NSW. There are 150 works that were owned by the artist at the time of his death and are on loan from Paris. This is a wonderful experience of the world's best known 20th Century painter.

DEPUTY PRINCIPAL'S MESSAGE

As the 2011 year draws to a close, I would like to thank the parents, teachers and, most importantly, the students for making the year such a memorable one. I feel very privileged to work in such a wonderful school that has great community support, strong traditions, a terrific learning environment, outstanding teachers and support staff, and, vibrant, inquisitive children. I would like to wish all Wahroonga Public School families a safe and happy Christmas and New Year. I am looking forward to returning to the classroom in 2012.

SERVICE AWARDS ASSEMBLY

Our 2012 leaders conducted this assembly yesterday. We are fortunate to have so many students who give so freely of their time. All of our students take their responsibilities seriously and do their tasks with a high degree of reliability and efficiency. To all of those students who received service awards yesterday – congratulations and thank you for all your hard work this year.

KINDERGARTEN / YEAR 6 TREE GIVING CEREMONY

Yesterday afternoon our Kindergarten children were presented with a small tree from our outgoing Year 6 students. This tradition involves the “passing on of the *Bush School spirit*”. It was great to see the Year 6 students embrace this final time with their Kindergarten buddies. The Kindergarten students cherish their gifts and nurture and care for their trees with a loving passion. Thank you to the teachers for making this a special time for our students.

PARTY DAY

Today the students have enjoyed the end of year festivities at the stage party days. Thank you teachers for planning exciting and engaging activities and ensuring the children had a memorable time for party day.

TALENT QUEST

Miss Ong and the talent quest committee have been working tirelessly this term to ensure the success of the annual talent quest. Students have auditioned, rehearsed and are ready for the big event tomorrow. The children may wear their talent quest costume to school but need to bring their school uniform or sports uniform to school to change into after their performance.

LOST PROPERTY

Lost property is always a concern for students, teachers and parents. Every day jackets, jumpers, hats, lunchboxes, lunch bags, water bottles, pencil cases, swimming costumes, towels and a myriad of miscellaneous items are left around the school. The teachers do their best to ensure that all lost property is returned to its owners if the item is clearly labelled. The lost property cupboard was cleared on Thursday but was overflowing again this week. Please ask your children to check for lost items. Any uncollected items will be disposed of tomorrow.

UNIFORM AWARDS

The following classes achieved perfect scores in the weekly uniform check: K/1H, KB, KJ, KS, KW, 1D, 1M, 1F, 1O, 2A, 2C, 2K, 2T, 3J, 3M, 3Q, 3/4W, 4E, 4G, 4H, 5G, 5M, 5OV, 6A, 6F and 6W.

Congratulations are extended to all students for making the effort to wear the Wahroonga Public School uniform with pride this week.

STUDENT WELFARE FOCUS – ‘The Values We Teach’

This week, all students K-6 are focusing on an aspect of student welfare that relates to safety. The children are reminded of their responsibility to “be careful to play safely” which means to use the playground according to playground rules, use the toilets and washrooms responsibly and to play within the playground boundaries.

OPENING ACCOUNTS FOR SCHOOL BANKING – GREAT NEWS!

School Banking accounts can now be opened at any Commonwealth Bank. You no longer need to complete application forms and return them to school. Just go into any branch and ask to open a Youthsaver account for school banking.

Take in identification for you and your child (such as driver's license and birth certificate) and you will receive your Dollarmites wallet on the spot – it is that easy! If you are a Commonwealth Bank customer with Netbank you have the option to open the account on line as well!

From January 2012 when children make their first deposit they will get their first token and our school will also receive \$5 commission. Thank you for supporting our school and teaching your child good savings skills.

Please remember to visit your local Commonwealth Bank during the Christmas Holidays and make a deposit in January 2012. This will ensure you receive your bonus interest of 4.76% when you make at least one deposit and no withdrawals in a calendar month.

Banking will resume on Tuesday, 31 January 2012.

If there are any queries please contact me via e-mail.
