STUDENT REPORTS

Student reports will be sent home on Wednesday. These reports are addressed to parents and should not be opened by the students. Parents can decide if and when they will share the contents with their children. A considerable effort goes into producing these reports and I want to thank all my staff who are involved with these.

TEACHER EMPLOYMENT AND SCHOOL STAFFING

Permanent teachers in the NSW Government system enjoy a number of benefits that help us attract and keep the best staff. Our leave entitlements are a feature that attracts and keeps qualified staff. We are a family friendly employer and try to accommodate the needs of our staff while balancing the needs of the school. Unlike other systems all teachers in public schools are qualified and certified teachers.

There are a number of types of leave available to permanent teachers. For example, maternity (up to five years per child), leave without pay (12 months with a further 12 months possible) long service leave, work cover leave, long term sick leave and deployment to other areas of the NSW Department of Education and Communities.

These leave entitlements mean we often employ temporary teachers on contracts. The contracts are offered late in Term 4 for the next year as we do not know if teachers are going to use or extend their leave. For example, Miss Illic has been on leave in 2011 but is returning in 2012. Mrs Norris is on leave in 2011 and is using a mixture of leave to extend this for all of 2012. Mrs Graham is on another year's deployment to the Best Start program. Other teachers are on part-time maternity leave or part-time leave without pay.

Our temporary teachers sometimes seek employment in other systems or schools before we can offer them another contract. This is understandable as most of us have to make a living and want to secure employment. Some teachers wish to seek a career in the private schools. Most teachers experience moving schools a number of times early in their careers. We will be wishing three of our wonderful temporary teachers farewell as they have employment in non-government schools in 2012. Ms Ong, Mr Scott and Mr Aghion will be leaving us. Mrs Pastars is looking for full time employment and has declined the part-time ESL position for 2012. Next year Mr. Campbell and Mr. Steel will be joining us for 12 months and I am seeking a third new temporary teacher. Our other temporary teachers will be with us in a full or part-time capacity in 2012. Mrs Hogben is taking leave for 2012 with a view to a 'tree change' and most likely will not return to Wahroonga. We have advertised for a temporary replacement for this position and this closes tomorrow. I will miss Mrs. Hogben greatly and I wish her and her family all the best in Mudgee.

PRINCIPAL'S PROSE Continued/...

When we employ a permanent teacher a parent is on the selection panel. The School Council and the P&C decide which parent should do this and training is provided on the merit selection procedures. Nick Fiennes was the parent representative of the panel that chose the new Deputy Principal who will be starting in 2012. There are no permanent vacancies at present. Mrs Hibbert has done a wonderful job acting in this role and will be resuming her work as a stage leader and Assistant Principal in 2012.

There are many rules and procedures for filling jobs that are too lengthy to detail here. We have a strong and effective union, industrial agreements and legislation to follow.

CANTEEN ORDERS ARE NOW ON LINE

You can now order school lunches from the canteen online. See the information in this edition of the Bush Telegraph. You can order for the whole week in one transaction if you want to. You can order from the office, home or wherever you have net access. No need to search for cash or paper bags.

LAST DAY OF SCHOOL

Friday 16 December 2011 is the last day for students. Returning students commence on Monday 30 January 2012. Please let us now if your child will not be here in the first week back to school.

CELEBRATION DAY AND PRESENTATION DAY

Next week we have our two annual days to recognise student achievement. We have our 2nd annual Celebration Day for K -2 and our 67th Annual Presentation Day for Years 3 -6. The Premier will be attending Presentation Day as well as the Acting School Education Director, Ms Kerri Brickley. All are welcome.

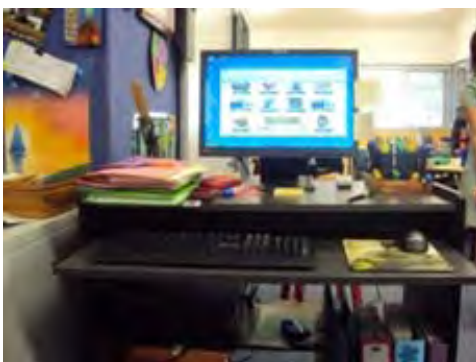

P&C MEETING

On Thursday evening at 7:00 PM the P&C is holding its AGM. The meeting is held in the staff room and every parent is welcome to attend. Office bearers are elected and various reports are presented.

John Benton, Principal
john.benton@det.nsw.edu.au

TECHNOLOGY UPDATE

Over the last few weeks the technology monitors and Mrs Carlos have been very busy. Thanks to the P&C we were able to purchase 27 brand new computers. There has been one new computer attached to the Interactive Whiteboards in every classroom in the school. We have then been able to dispose of some very old computers and swap some others around so that classrooms have an additional computer in their room. The Kindy and Year 1 classrooms all have three computers , Year 2 have two computers and Years 3- 6 have one computer at the back of their room. Thank you very much to the P&C for buying them.

Mrs Carlos, ICT Coordinator

DEPUTY PRINCIPAL'S MESSAGE

CELEBRATION AND PRESENTATION DAYS 2011

Our Celebration Day for K-2 students will be conducted next Tuesday 6 December 2011 commencing at 9:30 AM in the School Hall. All students will be presented with a certificate to highlight achievement in 2011. The intermediate band and the junior choir will perform at the K-2 ceremony.

Presentation Day Ceremony for 3-6 students will be conducted next Wednesday 7 December 2011 commencing at 9:30 am. There will be some special official guests in attendance to present awards. Our concert band, stage band and senior choir will perform. The students have rehearsed in readiness for this important event on the school calendar. Students are reminded that full school summer uniform should be worn for these special days.

ENRICHMENT AND EXTENSION

The Enrichment Room will be open at the conclusion of the Celebration and Presentation day ceremonies until 1:00 pm on Tuesday 6 December 2011 and Wednesday 7 December 2011. This invitation is open to all parents regardless of whether your child was in the program for Semester 2.

SPORTS PROGRAM

The students completed their final lessons of the Term 4 swimming program this week. I would like to thank Mrs Cath Moore and Mr Patrick Lincoln for conducting the lessons and the class teachers and parents for assisting with such valuable learning experiences.

The Years 5 and 6 dance program conducted by Mrs. Lyn Orrick concluded yesterday. I'm sure the boys and girls will be able to put these newly learned dance skills to the test at next Friday's farewell dance.

The Moving Bodies ball skills program continues in weeks 9 and 10. Due to Celebration Day all K-2 classes will have their lesson on Wednesday 7 December. Therefore the students in Kindergarten, Year 1 and Year 2 will wear full summer uniform on Tuesday and sports uniform on Wednesday.

PHOTOGRAPHS

On Monday all school photograph orders were distributed. We are pleased with the quality of the photographs. With such a large order there may be some discrepancies. Parents are reminded that all queries should be directed to the photograph company 'Pixi Foto' School photography on 1300 733 900.

REVERSE CHRISTMAS TREE PRESENTATION

Today a special assembly was conducted where the SRC presented the many gifts donated through our 'Reverse Christmas Tree' to the Salvation Army. The generosity shown by the families of 'The Bush School' instils in the boys and girls a wonderful sense of giving, rather than receiving, at this special time of year. Once again, I would like to thank Mrs. Flynn for organising the collection and presentation of the gifts.

COMBINED SCRIPTURE SERVICE

Earlier today the children who attend scripture classes participated in a special combined scripture service. The service was planned and organised by our volunteer scripture teachers. I would like to acknowledge the outstanding efforts of our scripture teachers. The teachers showed their appreciation by hosting a special morning tea after the service. The teachers look forward to working with our scripture teachers once again in 2012.

BANNER WINNERS' LUNCH

Tomorrow Mr. Benton and I will be hosting the Annual Banner Winners' lunch. Students who received a school banner at any time during 2011 received their invitations last week. This small gesture is a way of recognising the outstanding efforts of these students over many years at 'The Bush School'.

KINDERGARTEN TREE GIVING CEREMONY

This wonderful ceremony will be conducted on Wednesday 14 December 2011. The tree giving ceremony is an event unique to 'The Bush School'. Our outgoing Year 6 students present a small tree to the Kindergarten boys and girls as a way of passing on '*The Bush School Tradition*'.

YEAR 6 GRADUATION LUNCH

Our outgoing Year 6 students will be given a farewell lunch on Thursday 8 December 2011 in our hall. This will be a formal affair complete with a three-course meal. Over the past few weeks a dedicated group of parents has been assisting with the planning of this event. All tables will be decorated, as will the hall itself. During the lunch such formalities as presentation of the Year 6 farewell gift to the school, speeches by the captains and vice captains, presentations of the Year 6 graduation certificate and year book, the presentation of the prestigious 'Peer of the Year' award and the final address to the Year 6 students by the principal. This graduation lunch is a wonderful innovation and I would like to acknowledge the forward thinking of Mrs Flynn and the team of teachers in the senior school for planning and organising this special event.

CLASS PARTIES

The school 'class party day' will be conducted on Thursday 15 December 2011. Students in Years 3 and 4 will be going to Fagan Park for their celebration. All other grades will be remaining at school.

On this day all students may wear 'party clothes' – please ensure covered-in shoes and hats are worn.

YEAR 6 FAREWELL DANCE

This year's theme for this special celebration for our Year 6 students is 'Beach Hawaiian' theme. This extravaganza will be conducted on the evening of Friday 9 December 2011 from 6:30pm-9:00pm. The parent organising committee for this event has been working to develop the decorations for the evening. The children have already been practising a number of dances to match the theme. This will be a wonderful night for our Year 6 students.

SERVICE AWARDS ASSEMBLY

During the year many students contribute to the school in a variety of ways. In almost all cases the participation of these students is entirely voluntary. As a form of recognition for the efforts of these children, a special certificate is presented at this assembly by the coordinating teachers. This Year 2-6 assembly is for students and teachers only. The assembly will be conducted on Wednesday 15 December 2011.

TALENT QUEST

Congratulations to all the students who successfully auditioned for the talent quest this year. Thank you to the talent quest committee for conducting the hours and hours of auditions and for organising the acts. We look forward to superb entertainment on Friday 16 December 2011.

STUDENT WELFARE FOCUS – 'The Values We Teach'

This week, all students K-6 are focusing on an aspect of student welfare that relates to respect. The children are reminded of their responsibility to "be respectful of people". Students should be polite, courteous and considerate of the feelings of others.

UNIFORM AWARDS THIS WEEK

The following classes achieved perfect scores in the weekly uniform check: 1M, 2A, 2K, 2T, 3J, 6A and 6W. Congratulations are extended to the students of these classes.

CANTEEN - SAVE TIME, ORDER ONLINE!

The Bush school canteen offers a wide range of snacks and meals to staff and students 3 days a week: Monday/Wednesday/Fridays. To facilitate ease of use and convenience for families we have recently moved to a great new online system.

- **Order at a time convenient to you**
in the morning, night before, or weeks in advance!
- **No searching for cash required**
It's already paid online!
- **Teach students healthy eating in a fun way**
- **Order from home or work**

It's so easy!

- 1) Go to www.flexischools.com.au
 - 2) Click "Register Now" to create account
 - 3) Top-up your balance
- Start ordering immediately

To view a demonstration

go to the www.flexischools.com.au website and in the "Find Your School" box, enter a few letters from our school name and click the name when it appears below.

What Does it Cost?

The online menu is the **same price** as the usual menu. However, there is a small fee (of 25c) for the online orders to help pay for the labels and the website system. So why not order your next lunch online!

How Does It Work?

Go to www.flexischools.com.au and click "Register Now" in the Login Box. Then enter your student's name, school and class, and add funds (say \$50) into a pre-paid account. **You can log into the website at any time** to place orders, typically up until just before school starts. As purchases are made, the funds are taken from your pre-paid account. The account can be topped up again in the same way, or set to automatically top-up via credit card when the balance falls below a pre-set minimum. Each order is sent automatically to the kitchen, where an easy-to-read label is produced with the student's name, class and order details. At lunch time, students can simply pick up their order without the need for cash.

What payment methods can I use?

FlexiSchools accepts payment via Visa, Mastercard, Payclick and Bank Transfer. To perform a bank transfer to your FlexiSchools account, click 'Topup Account' when logged into the FlexiSchools website and select 'Bank Transfer'; you will be given your unique EFT code. You can then make a transfer via your bank's internet facility or at your branch.
