FROM THE PRINCIPAL:

House Captains

This week house meetings were held to determine the students who would lead the sporting groups into battle in 2016. Many year 5 students nominated, and again I thank them all for their interest in leadership and willingness to serve. We congratulate:

Captains	Dylan L Ella W	Oscar R Evelyn L	Nicholas B Mia B	Henry P Kate L
Vice Captains	James M Aerin D	Michael H Stefania M	Amber T Massimo S	Oliver G Eloise E

2016 Requests

This is a reminder that the school cannot honour requests from parents for their child to be taught by a specific teacher. All teaching staff members possess the qualifications and accreditation required of them to teach in a K-6 setting. At this stage we are still unsure of the class structure for 2016, with new enrolments coming almost by the day! Thank you for your understanding.

Wellbeing Policy Draft

In 2016, significant changes to the school's Student Wellbeing Policy will be implemented. This is in response to a local recognition that there is limited understanding about our current 'rules' and stated 'values' and the need for staff members to consistently seek to resolve issues relating to student wellbeing.

The new-look policy will incorporate the Department of Education's new Wellbeing Framework for Schools, specifically addressing the cognitive, social, emotional, physical and spiritual wellbeing of students. A small

Teacher Professional Development

Next Wednesday 12 staff members will be beginning an intensive course in Understanding Autism Spectrum Disorder. This course will not only assist participants cater for the educational needs of autistic students, but will be beneficial in making appropriate curriculum modifications for all students.

Last week all teachers were involved in a professional development session where some spectacular student work using mobile devices was showcased and teachers learnt from one another about maximising the use of devices to enhance student ownership and engagement.

The final staff professional development for the year will occur on December 17 and 18 with updates to our CPR and anaphylaxis training.

SPORT NEWS:

What a fantastic year it has been for our 2015 Bush School Tennis Team. The Bush School Team usually consists of about 8 doubles pairs, who play in The Primary School Challenge held once a term at various locations throughout Sydney North area.

2015 has been the MOST successful year thus far with The Bush School sitting at 1st PLACE (out of approx. 40 schools) after the first 3 terms of competition. This allowed us to select 6 players to represent our school at the Finals held at Talus Street Tennis Complex on 7th November. Everyone else played a "normal" round of competition at Kooroora Tennis Centre. The finals competition was an extremely high standard, our students faced teams we had never seen before, and mostly consisting of year 6 students. Our young team must be commended on their fighting spirit and great sportsmanship.

Wahroonga finished Equal 8th place overall. WELL DONE!! Thanks to every player who worked so hard all year to get The Bush School into the finals.

Congratulations to all players who represented Wahroonga in 2015:
 Nick B, Hugh H, James C, Will H, Alice W, Maggie K, Aaron K, Graham P, Zac S, Craig H, Adam S, Elliot K, Mike C, Daniel H, Georgia B, Henry V, Jessica J, Broden

P & C NEWS:

It's Beginning To Feel A Lot Like Christmas

As we rapidly approach the end of 2015 I'd like to take this opportunity to acknowledge the hard work of everyone who has helped to make this year a great one for our school community. Many of you have volunteered to assist with P&C run events, none of which would have succeeded without you.

A special thank you to Ghretta and Kerri who convened the Spring Fair committee. As you are no doubt aware the P&C contributed \$50,000 to the school's technology program, the majority of which came from the fair.

Social Committee

Amazingly, Ghretta and Kerri are not going to sit back next year and take it easy, but are busily organising a sub-committee of the P&C which will focus on social events. If you would like to be involved please send an email to wpspandc@gmail.com and I'll forward your details to them.

Band Sausage Sizzle

The Band sub-committee are in need of volunteers to help with their sausage sizzle during the Christmas Concert. If you can help please contact your band parent.

Agenda for the next General Meeting of the P&C to be held on Wednesday 2nd December:

1. Welcome
2. Apologies
3. Previous minutes – General Meeting held 11 November 2015
4. Principal's Report – Tom Moth
5. Treasurer's Report – Derek Lightfoot

STUDENT SHOWCASE:

Year 6 Advocacy

This term Year 6 has been working on Advocacy. The idea was to create a campaign on a world issue narrowed down to something smaller, agreed by the rest of our group. [Click here to see the photos](#) of all the groups,.

Our campaign is called Water Works. Our campaign aim is to create awareness about the water crisis in Africa. Throughout the term we have completed workshops in the lead up to our presentation. These included topics such as stakeholders, branding and SMART goals.

On Monday the 23rd of November, each and every group ran a stall to promote their specific campaign in the school hall. Read more....

KG Maths

KG has also been learning about perimeter in maths. We found out that it takes 253 unifix cubes to measure the perimeter of one of our classmate's body. We all worked together to cover the perimeter and we counted by 10s to find our final number.

KG Art

KG has been learning about different artists within our art lessons. [We created our own sunflowers](#), inspired by Vincent Van Gogh using paint and dye. As we have also been learning about minibeasts, we used crepe paper and glue to create our bees swarming amongst our beautiful sunflowers.

Personal. The way travel should be

“Text books teach history and the TV is a window to the world, but nothing beats the real thing.”

Hi, I'm Jennifer, your Personal Travel Manager

Travelling with children can create a lifetime of beautiful memories with the right knowledge and planning. Playing volleyball with Fijians, snorkelling with Nemo on the Reef and shaking hands with your favourite movie characters at Disneyland can become an exciting reality that families can share together.

If you've been thinking about a getaway or need ideas for future school holidays, I would love to hear from you. I'm available via phone, email or we can find a time and place to meet in person to start planning your next adventure.

Or come say 'Hi' at the **Wahroonga Village Fair on the 6th of December from 9am - 4pm** to check out my fair specials, prize giveaway, balloons and lollies for the little travellers.

For a little Christmas fun, check your child's school bag for a colouring-in competition with a chance to win prizes!
