

Wahroonga Public School Snowsports Team 2019

An emphasis on fun and participation is the key to this initial competition event and skiers and boarders of all levels are encouraged to join in. As the competition move into State and then the National events, the level of competition and the degree of difficulty increases.

Registration will open in May and you will be required to notify me of which disciplines you wish to compete in. Each student competes under our school name in aged divisions.

Primary

Division 4 – Years 5 and 6

Division 5 – Years 3 and 4

Division 6 – Kindergarten to Year 2

Secondary

Division 3- Years 7 and 8

Division 2 – Years 9 and 10

Division 1 – Years 11 and 12

Confidence to make gentle snow plow turns, sudden stops on a blue run, and had been on snow at least for 10 or more days is the minimum requirement.

The Interschools Snowsports Championships are a series of competitions in 7 disciplines:

- Alpine - Skiers are timed on a modified giant slalom course
- Skier cross - Skiers are timed on a slope-style course – single competitor on a course, unlike World Cup and Olympic events where 4 ski at a time down the course.
- Freestyle Moguls - Skiers are scored on a bumps/jumps course
- Snowboard Giant Slalom - Boarders are timed on a modified giant slalom course
- Snowboard Cross - Boarders are timed on a slope-style course
- Cross Country Freestyle - Raced with skate or classic cross country skis or style with a mass start
- Cross Country Relay - 3 Person Relay team only event
- Ski Slopestyle– Skiers are scored on a variety of obstacles including jumps, rails and/or other terrain park features (Division 1-3 only).
- Snowboard Slopestyle- Snowboarders are scored on a variety of obstacles including jumps, rails and/or other terrain park features (Division 1-3 only).

Alpine and Skier X, Snowboard and Snowboard X are the most popular events to enter.

We will be competing in the Travelplan Ski Northern NSW Region Championships at **Perisher**.

Helmets are compulsory for all events and race fees will need to be paid at registration time. School helmet covers will be loaned for the event and must be returned to the school after competition.

There is a once-only annual fee of \$30 per competitor, which is inclusive of public liability insurance, and \$47 per race, per competitor.

If qualifications are met for NSW State Championships (August 20-23 in Perisher) and then National Championships (Sept 4-8 Mt Buller, Vic) – there is no compulsory requirement to attend, as this is a further commitment by family members.

Students will need to be accompanied by a parent to the snowfields. I will co-ordinate your race information, collection of race bibs and notification of race times. I will require mobile contact with all parents close to the races as weather can effect changes to race times and courses at the last minute.

Attendance at the daily presentation ceremonies at 4pm is not compulsory – however try to make one to see the excitement and spirit the competition receives. We have had ex-students from our school on the podium at regional, state and national level. They started with the Wahroonga Public School Team!

Each school must provide support for races. The organization requires volunteers and race marshals from each school. If you volunteer, you will receive a free lift ticket for this day.

I will also assign a parent to be the manager for each team. The responsibility will be to ensure all team members have their correct race bib, are at the race start marshaled in bib number order, and return for their second run. As manager you are permitted to join the children on the course inspection immediately prior to the event. You will also be entitled to a discounted day ticket. (Child's price)

For more race and insurance information please visit <http://nswinterschools.com.au/>

Please indicate with a tick beside which event you wish to enter and return to the school office (in an envelope labeled – Mrs Graham – Interschool Snowsports). You will then be sent the online waiver information once registrations open. I cannot formally register you as a competitor until payment has been received. – **Remember – no payment, no race.**
