# SCHOOL CANTEEN & CATERING OPERATOR

## ABOUT US

I would like to introduce myself, Joan and my partner, Wilfred, we are very excited to be operating your school's Canteen. Both Wilfred and I are qualified chefs with over ten years of experience operating cafes and canteens. Cheese and Toastie is experienced in producing healthy food that looks good, tastes great and represents real value for money. We are committed to providing our students and staff with healthy, affordable homemade food that meets a range of dietary and cultural needs. Our canteen operates in line with a number of government policies about the types of foods that are to be served in schools and the requirements for hygiene and food safety.

You will also find a huge variety of mouth-watering options on our canteen menu. All our foods are prepared daily. We cater for special dietary requirements upon request and we are a nut-free canteen.

Are you not sure about how you can celebrate your child's upcoming birthday? We make fresh and homemade cupcakes for your special birthday girl or boy to share their special day with their friends at school. Place your order within 72 hours and a gorgeous tray of cupcakes will be ready for pick up by the teacher. We also have a birthday bucket filled with frozen ice blocks for Students to share with their class on their special day.

The canteen is open each morning, recess and lunch. We are using the online ordering service, ***Flexi Schools***.

Get to know more about Cheese & Toastie and other services by visiting our Facebook Page: <https://www.facebook.com/cheeseandtoastie>. If you have any questions, please do not hesitate to contact me or Wilfred at [Cheeseandtoastie@gmail.com](mailto:Cheeseandtoastie@gmail.com) or Come to meet us at the Canteen!

## School Canteen Procedures:

**Ordering:** Lunch orders must be placed via the Flexischools website. These orders can be placed weeks before or up until 9am the day the order is required. [www.flexischools.com.au](http://www.flexischools.com.au) Please register before the school term starts.

If you missed the 9am cutoff time, you can still order online through the Emergency lunch section and the cut off time will be 10:30am.

**Unfortunately, we do not take any orders after 10:30am**

**Recess:** The baskets are not delivered to the classroom; recess food must be picked up over the counter. There is a separate counter where the students' orders can be picked up from and they **do not** need to queue up.

Students without orders may queue up and buy something across the counter. A variety of fresh food items made in the canteen will be available to purchase and may not always be on the Flexischools menu.

**Lunch time:** Lunches will be placed into classroom baskets, collected from the canteen by a class representative and then distributed in the classroom 10 minutes before lunch time. Some food items such as ice blocks and soup will be stamped with "canteen pick up", the student will then need to bring the bag to the canteen for item collection by themselves.

Students who have not received their lunches or are missing items will need to tell their teacher who will send them back to the canteen. It helps us to keep track of the situation. I do suggest reminding your children again that if they do not receive their recess or lunch or are missing any items, they should tell their teacher then go straight to the canteen.

All baskets must be returned back to the canteen before lunch time finishes.

Extra items such as ice-blocks and soup will need to be collected **WITH THEIR LUNCH PAPER BAG.**
