

Labels to suit anyone & everyone!

a little about us...

Simply Stuck provides a fantastic variety of personalised name labels and stickers worldwide. They have been tried and tested by our customers over the last 10 years.

Choose from our economic and easy-to-use iron-on name tags which can be applied in seconds to most clothing and fabric items. Or our traditional and contemporary custom woven labels which have wide appeal and can be personalised in a range of colours.

Our great range of name stickers is available in a wide choice of sizes, shapes and colours to suit all requirements and budgets.

Simply Stuck labels are perfect for identifying school uniforms, labelling school bags and sports equipment, as well as all personal belongings including clothing, accessories and medications used at child care centres, schools, clubs and associations.

We provide FREE Fundraising Packs for schools and child care centres, which helps reduce lost property and raise funds for the school at the same time.

Once the forms have been distributed we deal directly with the parents, so all the school needs to do is sit back, watch the lost property box diminish and wait for a fundraising cheque to arrive.
